

Great sound and wireless transmission.

PX 360 / PX 360 BT

 **SENNHEISER**

PX 360

Great sound with a timeless design. The PX 360 headphones offer an excellent sound reproduction while their closed, circumaural design effectively blocks out ambient noise. Their headband is metal-reinforced ensuring portability and durability, while the ear cups can be rotated to a full 90° which then take up less space when stored in the carrying case.

- Neodymium magnets and Duofol diaphragms for excellent sound reproduction
- Closed, circum-aural design offers a high passive attenuation of ambient noise
- Collapsible, metal-reinforced headband ensures portability and durability
- Optimised for MP3, CD and DVD players, iPod, iPhone and mobile phones (3.5mm stereo plug)
- 2 year warranty

PX 360 BT

The PX 360 BT are high-end collapsible **Bluetooth**® stereo headphones offering an outstanding wireless listening pleasure due to **Bluetooth**® 2.1 wireless transmission. PX 360 BT are also equipped with SRS surround sound mode, providing you with a listening option of an immersive virtual surround soundscape.

- Neodymium magnets and Duofol diaphragms for excellent sound reproduction
- High-quality **Bluetooth**® 2.1 wireless transmission - Optimised performance when paired with a Sennheiser **Bluetooth**® adapter
- Supports apt-X® - Sophisticated audio compression technique for true hi-fi quality
- Collapsible, metal-reinforced headband ensures portability and durability
- Integrated track and volume controls for enhanced usability and convenience
- Single-sided audio cable included
- Optimised for MP3, CD and DVD players, iPod, iPhone and mobile phones (3.5mm stereo plug)
- 2 year warranty

NoiseGard™ 2.0
